Area covered: Scotland, (formerly UK)  
info@uveitis.net  www.uveitis.net |
|---|---|
| **Olivia’s Vision, (OV)** | Covers all types of uveitis  
Area covered: UK, Based in England  
contact@oliviasvision.org  www.oliviasvision.org  
Telephone: 08450 758114  
Mon-Sat 09:00 -18:00 answerphone when not manned.  
Olivia's Vision is supported by medical professionals and run by volunteers who are affected by Uveitis. OV provides support via it's helpline and online forum, and information on the website for adult sufferers and for the families of children suffering from Uveitis. For those without internet access leaflets and fact sheets are provided. Information available in large print.  
Olivia's Vision encourages communication and cooperation between patients and medical staff involved in the treatment of Uveitis.  
**Cost:** Free access to all information, no registration required for taking part in the Forum. |
| **Birdshot Uveitis Society (BUS)** | **BUS** offers specialist support and information for people with Birdshot chorioretinopathy as well as other rare posterior uveitis ‘white dot syndromes’. They run a specialist forum and keeps in touch with their membership by a regular email newsletter if you register on the site.  
Area covered: UK
